ACKNOWLEDGEMENT

The satisfaction and euphoria that accompany the successful completion of any task would be incomplete without the mentioning of the people whose constant guidance and encouragement made it possible. We take pleasure in presenting before you, our project, which is result of studied blend of both research and knowledge.

We express my earnest gratitude to Er. Jyoti Ranjan Sahoo, Asst. Prof. Department of ECE, our project guide, for her constant support, encouragement and guidance. We are grateful for her cooperation and valuablesuggestions.

We feel to avail ourselves of this opportunity to express our deep sense of gratitude to Er. Ashok Kumar Mahapatra, HOD, Dept. of Electrical & Computer Engineering, for the facilities made available and instructions given to us inaccomplishing this project successfully.

Finally, we express our gratitude to all other members who are involved either directly or indirectly for the completion of this project.
